

JOB DESCRIPTION

Job Title: Apprentice Gardener

Job Purpose:

An apprentice is required as an assistant to the head gardener.

The role will require four days a week to be spent working on site and one day a week at a local college completing an NVQ in Horticulture.

Key responsibilities will include:-

- Maintaining general amenity turf
- Cultivation of vegetables and fruit
- Maintenance of trees and shrubs
- Maintenance of hedges and topiary
- Cultivation of ornamental beds, and bedding displays
- Maintenance of small lake and water features
- Glasshouse work
- General assistance with estate management
- Use of equipment and machinery.
- Other seasonal Horticultural tasks as required.
