

APPRENTICESHIPS

Are you seeking an apprenticeship with a dynamic, forward thinking motorsport and automotive technology company?

Prodrive recruits apprentices annually, and look for enthusiastic people who have achieved grade C and above at GCSE level, have a passion for cars and who can demonstrate these important values:

- Can do – a positive attitude and the ability to find alternative solutions to problems
- Relentless – exceeding expectations and continually exceeding goals
- Rigorous – a commitment to achieving the best solutions
- Creativity – endeavouring to find new ways of doing things and learning from past experiences

Apprentices attend Oxford and Cherwell College in Bicester, or Warwickshire College.

Apprenticeships within Prodrive take place over a period of 3 years, with the opportunity to work in a variety of departments.

Apprentices usually become full-time employees of the company and much of the competency assessment is carried out in the workplace through the collection of 'portfolio' evidence. Further training support is provided through workplace monitoring visits undertaken every 12 weeks by college staff; providing an opportunity for feedback from workshop supervisors.

The closing date for most of our applications has now passed, however we still have vacancies within the following area:

Department	Site	College
Purchasing	Banbury	Oxford & Cherwell Valley

We will be holding an open evening on Thursday 1 May for these vacancies.

To apply, please visit our website at www.prodrive.com, and we will be in contact shortly if you are required to attend.
