

JOB DESCRIPTION

GRADUATES 2007

Are you seeking a placement with a dynamic, forward thinking motorsport company?

If so, Prodrive is looking for a one year maternity cover contract in its sales department.

The role involves the co-ordination and progress chasing of parts orders from initial enquiry through to delivery and to provide the customer base with a point of contact for all parts requirements and quotations.

We are looking for an enthusiastic person to start in December 2007, who can demonstrate these important values:

- Can do – a positive attitude and the ability to find alternative solutions to problems
- Relentless – exceeding expectations and continually exceeding goals
- Rigorous – a commitment to achieving the best solutions
- Creativity – endeavouring to find new ways of doing things and learning from past experiences

Candidates must be computer literate, customer focused and have an excellent knowledge of car parts.
