

JOB DESCRIPTION

Job title: Junior technician

Department: Aston Martin racing

Reporting to: Chief technician

Prodrive is one of the world's leading motorsport businesses. For more than 20 years, we have been running race and rallying programmes for some of the biggest names in the sport, including Subaru, Aston Martin, Ford, Porsche, Honda and BMW. At the same time we provide race and rally cars for private teams

Prodrive attracts the very best people in all areas of the business, whether it's the most ingenious engineers, the most talented technicians or the brightest administrators. While each excels in their own specialist areas, what is vital is their ability to work as a team.

Working at Prodrive can be demanding but is undoubtedly rewarding. The company brings out the very best in people and in return offers them an environment where they can use their skills to the full.

We are recruiting for a Junior race team technician, and would like to hear from candidates with a nationally recognised motor vehicle or engineering qualification, who have completed an apprenticeship in a garage or motorsport environment.

Values

Can do	Must possess a positive attitude and display the ability to identify alternative solutions to problems
Relentless	In exceeding customer expectations and continually exceeding goals
Rigorous	A commitment to achieving the best solutions
Creativity	Endeavour to find new ways of doing things and learn from past experiences
