

December 2007

Dear Prodrive Customer

Please be advised that as from 1 January 2008, Prodrive will be running its aftermarket parts sales operation from our headquarters in the UK. As a result, we will be closing our offices in Santa Ana, California.

In future, you will be able to continue to source our range of performance parts and we will ship them to you directly from the UK. The UK contact details for all product enquiries are below and you can either phone or email your orders through.

Name: Adam Constable
Telephone: +44 1676 536160
E-mail: aconstable@prodrive.com

You can see the full range of performance parts, including wheels; exhausts; suspension, performance packs and accessories at www.prodrive.com by clicking on "Performance Parts".

We are in the process of moving the stock holding from our operation in California. Should you be interested in buying any of this at preferential terms please do get in contact with Horacio Antonielli at Santa Ana (Tel. 714.541.0704) and he will send you a stock list.

Thank you for your custom in the past and we look forward to working directly with you in the future.
